Want Profession Recognized. In discussing matters which will come before the association, a prominent member said last night:

"The meeting of the State Dental Association here to-day has unusual significance, not only to the dental profession, but to the general public. For several years the leading dentists throughout the State have been working for full recognition as specialists in medicine and surgery. So far dentists have been educated as a separate profession, but in recent years it has become obvious to all that the oral, or mouth, specialist is, in fact, one of the most important of any of the medical specialists."

"Now the dentists are demanding the same education that all other specialists receive, such, for instance, as ear, eye and throat specialists."

"The dentists need the sympathy and co-operation of the public in this great work. Having charge of their lives, as they do, people should demand that they have the full medical education. Since they have to treat the local manifestations of almost every disease that man is heir to, they are compelled to use the most powerful and most dangerous drugs, including general anesthetics and hypodermic injections."

"It is very common for people to be blood poisoned by ignorant and incompetent men, this being largely due to the fact that the present standard of education is below that of other specialists."

"It is the intention of the Virginia dentists to ask the next Legislature to recognize them as full medical specialists, and to require that they shall take the full medical course in colleges. Of course, there are many eminent and well educated dentists among us now, but they are not required in college to understand the human constitution thoroughly, and the present standard of the Virginia Society will be largely taken up with considerations of this important fact. Virginia has the distinction of taking the lead in this matter."

That the citizens of this city are not at all satisfied with the Free Bridge situation is shown by expressions of anxiety on all sides. As an evidence of this general alarm, at the last meeting of the City Assembly a special committee of three was appointed from the Council to confer with a similar body in Richmond regarding the proper and most expeditious methods of adjusting what is being contemplated as a public danger.

Yesterday afternoon at 5 o'clock the Manchester Board of Bridge Commissioners sat in joint session with the Richmond Board of Bridge Commissioners at the Merchants' National Bank in Richmond. The deliberations of this joint assemblage are carried in a separate column in this paper, and goes to show that the populations of both cities are, at least, uneasy over the situation. The bridge question appeals more peculiarly to Manchester by reason of the fact that great numbers of her people are engaged in trade and employment in the larger city. A new danger has arisen out of the confusion in regard to a possible confiscation in Manchester.

Last week an edict was issued by Chief Shaw, of the Richmond Fire Department, forbidding any of his engines to cross either of the two bridges should appeal for help be turned in from this city. There is only one steamer in the local fire department. Two or more fires might occur at the same hour, and before Richmond fire engines could be loaded on flat cars, conveyed over the river on railroad trestles to Manchester, and put into action, full half of the city might be destroyed by flames and the remainder be burning when assistance arrived.

The bridge situation is being regarded by many in this city as critical. Walthall-Johnson.

Mr. James M. Walthall and Miss Cassie May Johnson, both of this city, were married last night at 8:30 o'clock in the home of the Rev. J. K. Jolliffe, at Ninth and Porter Streets. Mr. Walthall is the son of Mrs. P. M. Walthall, of No. 923 Bainbridge Street. He is associated with the Swift Packing Company here. The bride is a native of Lynchburg, and only recently moved to Manchester. Mr. and Mrs. Walthall

will make their home at No. 915 Bainbridge Street.

Early Morning Fire.
For the second time from the same spot within the last nine days an alarm of fire has been turned in, and but for the splendid work of the Manchester Fire Department, the results would have been serious. The last alarm was received at headquarters Monday morning at 2:45 o'clock, and two of the

three buildings, Nos. 1213, 1215 and 1217 Hull Street, were gutted.

The fire is believed to have originated in a lot of hay stored in the rear of No. 1217 Hull Street, owned by L. E. Ullman. The flames spread rapidly to the two adjoining buildings, resulting in an estimated loss of \$5,000, all of which is covered by insurance.

When the department arrived the flames were located in the rear of the buildings. The fire had already gained great headway, and was raging furiously. Within three-quarters of an hour the flames were under control.

Shortly after the alarm the police arrived and instituted a search for H. Telle, a barber, whose shop was destroyed, and who many believed to be asleep in the burning building. It was learned later that Telle was spending the night in Richmond. He says his shop was covered by \$500 insurance.

Buildings Nos. 1215 and 1217 are owned by L. E. Ullman, and building No. 1213 is the property of Joseph Oppelman.

Last Sunday week fire was discovered at No. 1215 Hull Street. The fire Monday morning resulted in greater loss. It occurred at a bad hour, and owing to certain circumstances a suspicion of incendiarism has been aroused. The first fire resulted in a \$1,000 loss; the destruction wrought by the last is placed at \$5,000. The whole is covered by insurance.

Pastor Harrell Resigns.
The Rev. J. B. Harrell, pastor of the Clifton Street Baptist Church, announced from the pulpit Sunday morning that he would resign his charge, owing to feeble health. His resignation will take effect August 1st. Mr. Harrell came to his present pastorate from North Carolina only a few months ago, and while here has accomplished much good, both for his church and neighborhood. His congregation expressed distress at his determination to leave. For the present Mr. Harrell will remain at his home in Swansboro.

Church News.
The Fifth Street Methodist congregation is preparing to enter its new house of worship by the first Sunday in August. The building is located at Ninth and Decatur Streets, and will be called the Decatur Street Methodist Church. A farewell service will be held at the present church on the last Sunday in July, after it will have ceased to exist.

Both chapters of the Stockton Street Baptist Church, will give a lawn party every evening this week on the court green. The proceeds of the entertainments will be given to the church.

Rev. Walter Monroe Jennings, evangelist of McMinnville, Ore., will preach at the Stockton Street Baptist Church Friday night, the 17th. Railroad men are especially invited to this service.

The Sunday school of Cowardin Avenue Christian Church will have its annual picnic at West Point on July 23d. The first train will leave at 8:15 and the second at 8:30.

In the Police Court.

The case brought by Mrs. Joseph Smith against her husband, "charging him with non-support, was dismissed by Mayor Maurice yesterday. Mrs. Smith had requested that the case be dropped.

Sallie Cheatham and Willie Coleman, negroes, were each fined \$2.50 for drunkenness and disorderly conduct.

Three men were fined \$2.50 and costs each yesterday on a charge of fighting in the street.

Sam Moore, a negro, claiming that he had been twice wounded Saturday night by a revolver in the hands of a negro, Pat Woodson, was arrested yesterday and turned over to the Richmond authorities.

Policeman Waymack, assisted by eight urinals, rounded up thirteen cows Sunday afternoon which were roaming at large on the streets. The owners were in court yesterday, where they paid \$2.50 and costs each.

A horse belonging to a negro was placed under arrest by Captain Lipe Sunday. The owner was fined \$3.50 yesterday.

There will be a meeting of the Board of Aldermen to-night.

Messrs. C. A. Fortune and H. A. Latham, both of this city, are spending the day at Ocean View.

Mr. R. C. Broadus is spending the month at Buffalo Lithia Springs.

Mr. Llewellyn Lewis has returned home from a trip to Atlantic City.

The funeral of Mrs. Margaret Donald, who died at her residence here at 10:30 o'clock Sunday morning, will take place from the First Presbyterian Church at 4 o'clock this afternoon.
